- From the railway station to "Primakova street" by bus 14.

The organizing committee advises the participants to buy return tickets beforehand.

Conference on-line information is available on: www.btsau.kiev.ua

INNOVATIVE PROVIDINGS OF DIAGNOSIS, TREATMENT AND PREVENTION OF ANIMALS NON-INFECTIONOUS PATHOLOGY

May 13-16, 2014

INVITATION

The organizing committee will be grateful if you inform your colleagues interested in participating in our conference.

Bila Tserkva
2014
DEAR COLLEAGUES!

Bila Tserkva National Agrarian University holds the IX International Scientific-Practical Conference “INNOVATIVE PROVIDINGS OF DIAGNOSIS, TREATMENT AND PREVENTION OF ANIMALS NON-INFECTIONOUS PATHOLOGY ” in May 13-16, 2014

Conference issues

Section 1. Internal diseases of productive animals.
Section 2. Veterinary Toxicology Problems.
Section 3. The urgent issues and innovation developments in the sphere of Animal Reproduction.
Section 4. Veterinary surgery and anaesthesiology.
Section 5. The small animals diseases.

Conference themes:
- the diagnosis, treatment and prevention of the poly metabolical and poly organic pathology of high productive cows, sheep and goats;
- the modern methods of the prevention and treatment of young animals diseases;
- horses internal diseases;
- the pigs noninfectious diseases;
- the diagnosis, treatment and prevention of the small animals internal diseases;
- the diagnosis and prevention of the poultry poly metabolical pathology;
- the animals mycotoxicosis;
- the toxicology of the premixes and feed additives;
- the diagnosis, treatment and prevention of the animals toxicosis;
- the mammary gland physiology and pathology;
- the diagnosis, treatment and prevention of the gynecological, obstetric and andrological diseases;
- the veterinary and biotechnological support of the intensive animals reproduction;
- the anaesthesiology and surgery of small animals diseases;
- the productive animals traumatology and orthopaedics;
- the medical instrument methods of the diagnosis and treatment in surgery;
- the clinical pathological physiology of the surgical diseases;
- the veterinary oncology;
- the international standards in veterinary medicine education.

THE ORGANIZING COMMITTEE

A. Danylenko, Doctor of Economics, Academician of the National Academy of Agrarian Sciences of Ukraine (NAASU), rector of Bila Tserkva National Agrarian University (BNAU);
I. Bisiuk, First Deputy Minister of Ministry of Agrarian Policy and Food of Ukraine;
V. Gorzheiev, Chairman of the state veterinary and phytosanitary inspection of Ukraine;
M. Mandygra, Doctor of Veterinary Sciences, Academician-secretary of the NAAS, member of the NAASU;
V. Sakhniuk, Doctor of Veterinary Sciences, Vice-rector for Science and innovative activity of BNAU;
G. Shchurevych, candidate of Veterinary Sciences, Director of the Institute of postgraduate education of Veterinary Medicine specialists;
A. Karpenko, candidate of Economic sciences, Vice-rector for science and production activities and integrated development of BNAU;
B. Ivasenko, candidate of veterinary sciences, dean of the Veterinary Faculty of BNAU;
V. Levehenko, Doctor of Veterinary Sciences, Academician of the NAASU;
V. Vlasenko, Doctor of Veterinary Sciences, Academician of the NAASU;
M. Rublenko, Doctor of Veterinary Sciences, Academician of the NAASU;
V. Golovakha, Doctor of Veterinary Sciences, professor;
S. Vlasenko, candidate of Veterinary Sciences, assistant professor.

The articles will be published in the special edition of scientific papers "Scientific Bulletin of Veterinary Medicine" and are to be sent by March 3, 2014 on paper to the organizing committee address: Bila Tserkva National Agrarian University, Veterinary Medicine Faculty, 126 Stavyschanska str, Bila Tserkva, Kyiv region, 09111.

e-mail: Section 1, 2: ndi_levehenko@ukr.net
Section 3: akyssherstva@ukr.net
Section 4, 5: rublenko@meta.ua

Contact telephones:
(04563) 5–35–85; 067-934-66-78 - V. Sakhniuk, Doctor of Veterinary Sciences, Vice-rector for Science and innovative activity of BNAU;
(04563) 5–78–07; 097-046-25 - V. Levehenko, Doctor of Veterinary Sciences, Academician of the NAASU, Director of the Science and Research Institute of animals internal diseases;
(04563) 5–78–04; 093-466-33-80 - M. Rublenko, Doctor of Veterinary Sciences, Academician of the NAASU, head of surgery department;
(04563) 5–78–46; 099-282-11-15 - S. Vlasenko, candidate of veterinary sciences, assistant professor, head of the obstetrics department;
(04563) 5–78–12; 067-693-17-73 - V. Golovakha, Doctor of the Veterinary Sciences, professor, head of the therapy and clinical diagnostics department.

REQUIREMENTS FOR THE ARTICLES

According to the Resolution of the Presidium of the Higher Attestation Commission (№ 7-05/1, January 15, 2003) scientific articles submitted to special editions are to contain the following elements and order:

1. Universal Demical Classification (UDC).
2. Author's name, initials, scientific degree, e-mail.
3. Article title.
4. Summary in Ukrainian (up to 600 characters).
5. Keywords in Ukrainian.
7. Analysis of recent research and publications.
8. The purpose and objectives of the study.
10. Research Results and discussion.
11. Conclusions.
12. References. (Must contain at least 3 sources of foreign authors).
13. References in Latin.

You are to log in translit.ru and translate automatically the list of references given in paragraph 12.

Example:

The article may be submitted in Ukrainian, Russian or English, the 6-8 pages in size, type 14, typing interval- 1,5 (A4 format, left side margin - 30 mm, right side - 10 mm, top and bottom - 20 mm).

The cost of the publishing - 30 UAH per page.

The articles that do not meet the requirements of the State Attestation Committee will not be accepted.
