

ORGANIZATIONAL COMMITTEE:

Shust O.A., Rector of BTNAU, doctor of econ. sciences, professor, Head of organizational committee.

Merzlov S.V., First vice-rector, vice-rector of organizational work at BTNAU, doctor of agricultural sciences, professor, Deputy Head of organizational committee.

Varchenko O.M., Vice-rector of scientific and innovative activity of BTNAU, dr. of econ. scien., professor.

Dyman T.M., Vice-rector of educational and international activity of BTNAU, doctor of agricultural sciences, professor.

Khakhula V.S., Dean of agrobiotechnological faculty, candidate of agricultural sciences, assoc. professor.

Lozinskyi M.V., Head of department of genetics, selection and seed-growing of agricultural crops, candidate of agricultural sciences, associate professor.

Panchenko T.V., Head of department of technologies in crop production and plant protection, candidate of agricultural sciences, associate professor.

Grabovskyi M.B., Professor, department of technologies in crop production and plant protection, doctor of agricultural sciences.

Prymak I.D., Head of department of arable farming, agrochemistry and soil science, doctor of agricultural sciences, professor.

Peter Ondrisik, Dean of faculty of agrobiological and food resources of Slovak University of Agriculture, PhD.

Arne Cierjacks, Deputy Dean Faculty of agriculture, environment and chemistry, Dresden University of applied sciences, Prof. Dr. rer. nat. habil.

Hinek Rubik, Group leader CZU mobiLAB Solutions Faculty of Tropical AgriSciences, Czech University of Life Sciences Prague, Associate Professor Dr.

Demydov O.A., Director of Myronivski institute of wheat named after V.M. Remeslo, doctor of agricultural sciences, Corresponding Member of National Academy of Agrarian Sciences of Ukraine.

Gudzenko V.M., Deputy Director of Myronivski institute of wheat named after V.M. Remeslo, doctor of agricultural sciences, senior researcher.

Kyrylenko V.V., Main research assistant of winter wheat selection laboratory, Myronivski institute of wheat named after V.M. Remeslo, doctor of agricultural sciences, senior researcher.

Kochmarskyi V.S., Director of the state research farm "Elita" named after V.M. Remeslo, doctor of agricultural sciences, senior researcher.

Buzynnyi M.V., Director of Bila Tserkva bioenergetic crops and sugar beet research and selection station of NAASU, candidate of agricultural sciences.

Burdeniuk-Tarasevych L.A., Main researcher of Bila Tserkva bioenergetic crops and sweet sugar beet research and selection station of NAASU, doctor of agricultural sciences, senior researcher, professor.

Furdyga M.M., Director of potato growing institute of NAASU, candidate of agricultural sciences, senior researcher, associate professor.

Oliynyk T.M., Deputy director of scientific work of NAASU potato growing institute, candidate of agricultural sciences, senior researcher, associate professor.

Vlasenko V.A., Head of plant protection department of Sumy NAU, doctor of agricultural sciences, professor.

Tsentylo L.V., Director of agrifarm "Kolos", doctor of agricultural sciences, associate professor.

Oleshko O.G., Head of BTNAU editorial and publishing department, candidate of agricultural sciences, associate professor.

Sabadyn V.Y., Associate professor, department of agricultural crops genetics, selection and seed growing, BTNAU, candidate of agricultural sciences, senior researcher, associate professor, secretary of org. commit.

The materials and applications for participation in the conference (placed on the last page of theses) are accepted till March 23, 2023 at the e-mail: sel_konf_2020@ukr.net

The Organization committee will appreciate sharing this information with the colleagues interested in participation in the conference

**Publication of report theses is free of charge
The speakers will receive a certificate**

Ministry of Education and Science of Ukraine

Bila Tserkva National Agrarian University

Slovak University of Agriculture, Nitra, Slovakia

Dresden University of applied sciences, Germany

University of Life sciences, Prague, Czech Republic

Myronivski institute of wheat named after V.M. Remeslo, National Academy of Agrarian Sciences of Ukraine

Bila Tserkva bioenergetic crops and sugar beet research and selection station of National Academy of Agrarian Sciences of Ukraine

Institute of Potato growing of National Academy of Agrarian Sciences of Ukraine

INVITATION

the IV International Scientific and Practical conference dedicated to distinguished scientists

S.P. Vasytkivskyi and M.Y. Molotskyi-Founders of scientific school of wheat and potato selection and seed growing

**AGRARIAN EDUCATION AND SCIENCE:
ACHIEVEMENTS AND PROSPECTS OF
DEVELOPMENT
March 30, 2023**

**Bila Tserkva
2023**

DEAR COLLEAGUES!

We invite you to take part in
the IV International Scientific and Practical
Conference dedicated to distinguished scientists
S.P. Vasylykivskyy and M.Y. Molotskyi-
**Founders of wheat and potato selection and
seed growing scientific school**

“AGRARIAN EDUCATION AND SCIENCE:
ACHIEVEMENTS AND PROSPECTS OF
DEVELOPMENT”

that will take place on the 30th of March, 2023
at Bila Tserkva National Agrarian University

Conference topics:

1. Modern achievements in crop selection and seeds growing
2. Innovations in plant growing technologies
3. Energy saving technologies in arable farming
4. Modern technologies in plant protection

*Scientists, lecturers, producers of agrarian
production are invited to participate.*

The Conference Languages are Ukrainian
and English

Participation formats:

On-line – publication of theses and reports in Zoom, the link will be sent additionally (speakers will be awarded the certificates);

Off-line – publishing the theses.

Participation format has to be indicated in application.

Digital collection of conference theses will be published on the site of BTNAU and sent to all participants

Requirements to theses design

The theses have to be sent in Ukrainian or English, typed in MS Word, format - A4, size of all page margins – 20 mm, interval – 1.0, paragraph - 1,25 cm, width alignment, Times New Roman font size 14pt.

Theses volume – 2-4 pages, without numbering.

The first author's surname has to be indicated in the file name.

The thesis in Ukrainian language has to be added by author's surname, name and patronymic name, establishment, theses title, annotation and key words in English

UDC: 631.524.5:633.111”324“

Surname Name, doctor of agricultural sciences,
senior researcher

Surname Name., candidate of agricultural sciences,
associate professor

Surname Name, postgraduate student
Bila Tserkva National Agrarian University
oooooooo@ukr.net

**1000 GRAINS MASS VOLATILITY OF MAIN EAR
OF DIFFERENT WHEAT SORTS ...**

Annotation follows after paragraph indent, Times New Roman font size 12pt.

Key words: the key words follow after annotation (up to 5 words).

The main text follows 1 line spacing after annotation, Times New Roman, font size 14pt and has to describe briefly the actuality of the research, the aim, main results and their interpretation and has to be finished by short general conclusion without repeating of materials that were stated above. Referring to scientific literature resources that were used in report have to be numbered in square brackets according to the list of used literature resources [1].

The drawings are placed in the text in bold font, the drawing title is centered under the drawing

Draw. 1. Name of the drawing ...

The tables are placed after the text containing the first referring to it in half-bold font with center alignment.

Table 1 – **Name of the table ...**

After the theses, the list of literature follows

List of literature

1. According to requirements of State Standards of Ukraine DSTU 8302:2015.

The application form for participation at the conference is placed on the last page:

1. Surname, name, patronymic name _____
2. Scientific degree, academic rank _____
3. Place of employment (study) _____
4. E-mail _____
5. Telephone number _____
6. Title of report _____
7. Topic of the conference _____
8. Form of participation _____

The theses present new scientific results that haven't been published earlier. The author is the responsible person and guarantees that presented report hasn't been already approved for other publications and doesn't contain plagiarism.

The Organizational committee reserves the rights of refusing the reports that don't meet the format standards.
