ПРОГРАМА
ФАХОВОГО ВСТУПНОГО ВИПРОБУВАННЯ
для вступників на освітньо-професійну програму підготовки фахівців
освітнього ступеня «Бакалавр»
за спеціальністю
035 «Філологія»

Біла Церква – 2019

Тестове завдання для вступу на програму підготовки фахівців освітнього ступеня «Бакалавр» складається з 25 запитань з іноземної (англійської) мови. За характером формування відповідей використовуються завдання закритої та відкритої форм. Завдання закритої форми представлені запитаннями, що потребують обрання однієї або кількох відповідей із запропонованого набору варіантів. Відкритими є запитання, в яких необхідно в письмовій формі створити власне висловлювання відповідно до запропонованої комунікативної ситуації.

Метою тестування за фахом є перевірка відповідності знань, умінь і навичок вступників програмним вимогам, з'ясування компетентності та оцінка ступеня підготовленості вступників для отримання ОС «Бакалавр».

Оцінювання знань вступників на вступних випробуваннях здійснюється за шкалою від 100 до 200 балів. За правильне розв'язання одного питання вступник може отримати 4 бали. Відсутність відповіді або неправильна відповідь оцінюється в 0 балів. Мінімальна кількість балів для подальшої участі у конкурсному відборі повинна складати 100 балів. Час виконання тестових завдань становить 60 хвилин.
