

Графік навчального процесу на 2022-2023 навчальний рік

Main table grid showing the academic schedule for 2022-2023. It includes columns for months (Veresень to Серпень), weeks, and various course levels (I, II, III, IV, M I, M II). Rows are categorized by faculty (Факультет) and department (Курс), including Agricultural, Biological, Veterinary, Economic, Social-Humanitarian, and Ecological departments.

Legend for the schedule grid. It includes symbols for theoretical teaching (т), practical teaching for exam sessions (тп), exam sessions (тп), cancellations (к), diploma preparation (дп), production practice (п), preparatory practice (п), initial practice (п), test dates (т), and scientific-practical practice (п).
